

# Mountain Flying Basics

Take the guess work out of flight planning through mountainous areas. Learn how to recognize weather patterns that will affect your flight. Please join flight instructor and FAASafety Team, (FAAST), Representative, David Koble for a discussion of the effect on GA aircraft of winds, weather, aircraft performance with hot and cold weather operations plus more.

**Directions:** Exit Las Posas Road off 101 freeway, go south. At Pleasant Valley Road, turn right. At Airport Way, turn right. At the stop sign which is Durley Avenue, turn left. CIA on the right side (look for a monument sign) at 305 Durley Avenue. Fly-In--Park at Channel Islands ramp.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
